

Mobis Seat

Mobis is all about increasing workplace activity and encouraging movement. More mobile and compact than the Locus Seat, it encourages impromptu meetings and chance workplace happenings. Mobis is perfect with Focal's Side Table and Confluence Conference Table, or any standing desk. Its light weight and elegant design makes it very functional for flexible office or upright conference needs. The small footprint makes Mobis ideal for cashiers, bank tellers and ticket takers.

Built in USA of American and Asian components. Distributed from Portsmouth, Rhode Island.

Availability: June 2014

Retail price: \$499

Mobis Seat with Cobalt seat cushion

Component	Material	Details
Contoured Seat Pan	Fiberglass-reinforced nylon	Fiberglass for stiffness
Contoured Seat Cushion	EVA Foam	0.75" -1.25" thick. Citrus, chili pepper, cobalt, black
